- Tuesday, November 19 5:30 PM – 7:30 PM

# WHERE

The series will be held in the Science and Engineering Building on the UNLV campus. (4505 S Maryland Pkwy, Las Vegas, NV 89154)

Transportation is the responsibility of the student. If you need assistance with transportation, please contact the SISTEM coordinator. If transportation is an issue, SISTEM will assist students as much as possible in obtaining transportation.

# SPEAKERS

The speakers for each seminar series will be announced to participants via email upon their acceptance into the program.

# THE BENEFITS

Aside from the unique opportunity to participate in a STEM program that would look incredible on any academic resume, you will earn entries for a raffle drawing. You will also receive UNLV SWAG for just being a part of this incredible program.

Students who are successful in attending every session will receive a certificate of completion of the SISTEM program. Every time the student attends a session, their name will be put into a drawing for a prize that will be given out at the end of the program.
