

Who is eligible?

Sophomores, juniors, and seniors currently enrolled in Washoe County School District high schools are encouraged to apply.

Applicants who attend every session will receive a certificate upon completion of the seminar series. Each time the applicant attends a seminar, their name will be put into a drawing for a prize to be given out at the end of the final seminar.

Space is limited and positions will be filled on a first come, first served basis. Applicants must fill out the registration form online, and have their parent or legal guardian complete the parent agreement form.

This form must be sent in to the Raggio Research Center before an application will be considered.

Please see our website for more details.

When and where can I apply?

The final day to apply for SCIP is Monday, January 23, 2017

Applicants are considered on a first-come, first-served basis. Selected participants will receive acceptance letters beginning in December.

You must provide a valid email address and physical address in your registration form – this is how we will get in touch with you throughout the series.

If you have any questions, please email Shanelle Davis at shanelles@unr.edu or call (775)784-7783
