# STUDENT INTERACTIONS WITH SCIENCE, TECHNOLOGY, ENGINEERING AND MATHEMATICS (SISTEM)

SISTEM is a series of talks that will allow high school students to participate in a variety of hands-on experiences and learn more about various STEM careers and research.

## WHO

This is a unique opportunity open to all high school students who already have an interest in STEM careers or would just like to learn more about careers in STEM.

## WHY

Aside from the unique opportunity to participate in a STEM program that would look incredible on any academic resume, you will earn entries for a raffle drawing. You will also receive UNLV SWAG for just being a part of this incredible program.

## WHEN

This series will run on:

Tuesday, March 3	5:30 PM - 7:30 PM
Tuesday, March 10	5:30 PM - 7:30 PM
Tuesday, March 17	5:30 PM - 7:30 PM
Tuesday, March 24	5:30 PM - 7:30 PM
Tuesday, March 31	5:30 PM - 7:30 PM

## WHERE

The series will be held in the Science and Engineering Building on the UNLV campus.  
(4505 S Maryland Pkwy, Las Vegas, NV 89154)

## HOW TO APPLY

Applications will be accepted until February 18th, 2020. The bulk of the application will be completed online and the required forms need to be postmarked by February 18th. Acceptance and waitlist letters will be made on February 25th, 2020 via email. This is a competitive application process and selection is not guaranteed.

Transportation is the responsibility of the student. If you need assistance with transportation, please contact the SISTEM coordinator. If transportation is an issue, SISTEM will assist students as much as possible in obtaining transportation.
